The Soldiers' and Sailors' reunion last week was a grand success.

Mr. and Mrs. Lewis Armstrong and two children left Saturday on a two weeks visit in Hamilton and other Canadian points.

It Was a Hummer.

The patriotic dancing party given at the New Auditorium last Friday evening by Manager Wm. F. Barr was a hummer, one hundred twenty-two tickets being sold. The hall was beautifully decorated with American flags and streamers of the national colors and brilliantly lighted with electric lights. A spot-light shone from the balcony onto Old Glory hanging in the center of the hall and when the main lights were turned off the effect was most beautiful to gaze upon. McKan-las with his six-piece orchestra put ginger into the dancers and they danced their heads off till 2:00 in the morning and enjoyed every minute of the time. Many compliments were handed the veteran piano player for the fine music furnished. Oviatt, Yale's caterer, satisfied the inner man with refreshments that tickled the palate of all.

Manager Barr deserves a great deal of praise for the high class of dancing parties given since opening the new building, and compliments galore are offered him for the extra good time given those who attended Friday night. It certainly was a decided success.

Swimming Beach Closed.

The swimming beach conducted here under the auspices of the County Y.M.C.A. closed a very successful year on Wednesday. Under the direction of Eldred Charles, director of Yale, Mich., over 300 persons have been taught to swim at the St. Clair beach this season. This is a fine record. The swimming beach idea is certainly worth while. Every boy and girl should be taught to swim, and the beach is the place to learn, for there the danger usually encountered by the beginner is reduced to a minimum. The beach has proven so successful here that it will no doubt be continued next year.—St. Clair County Press.

Rev. Eldred Charles closes the summer's work at the swimming beach this week. This has been a very successful season at the beach, over three hundred having come under his instruction, of whom a number have learned the useful art of swimming. Mr. Charles has proved a competent instructor.—St. Clair Republican.

A Pleasant Reunion.

A family gathering was held at the pleasant farm home of Mr. and Mrs. John Bullock on Wednesday, Aug. 29. Relatives were present from Lynn, Yale and vicinity, Pontiac, Capac, Detroit, Brown City, Novesta, Armada, Deckerville, Shabbona and Cass City.

A long table to seat all was arranged on the bank of Mill Creek, and over 100 persons sat down to the feast of good things which looked more like good times than war times.

The day was most pleasantly spent and one long to be remembered. It was voted to make this occasion an annual affair and that they meet at the same place the last Wednesday in August, 1918.

Dear Sir:—Will you please have my paper sent to 2748 E 53rd street, as I have moved to that address.

I enjoy your paper very much. It is just like receiving a letter from home to get the Yale Expositor and see the familiar names of our dear friends and relatives. It makes one feel that there are still familiar faces in the old home town.

I notice in L. Bow's letter in your columns a few weeks ago, he tells about the Traction Co. strike. He does not mention the fact, however, that he with many others, was forced to go with dirty shirt and collar during the Laundry Workers' strike.

Approximately 1,000 girls walked out on a Thursday morning, demanding better wages and conditions in return for keeping clean the public's wardrobe. For the first time in laundry labor's history, the girls stood together, and with the aid of the men workers defeated the powerfully organized employers' union.

During the strike the Laundry Workers Union proved itself a success by the practical way in which it cared for its members. And when the strikers again took their places at their machines and tables the union was able to dictate its own terms to the laundry owners. So much for the strike, which, to the girls, was just as important as theirs was to the carmen.

A few weeks ago my sister and I drove up to Bellingham in the eternal Ford. The big car owners can say what they please about their cars, the Ford gets there anyway. You should be proud to live in the home state of the Ford.

From Bellingham we went on to Vancouver, B. C. We passed through wonderful farming and dairying country. It is from this fine country that Seattle draws its richness.

With my best regards to home friends, I remain,

Mrs. Edie Swap,
Formerly Miss Edie Willoughby.

Resigned as Cashier

At a meeting of the board of directors of the State Savings Bank held on Thursday, August 23, the resignation of Roy Bricker as cashier was accepted and J. C. Atkinson was elected to fill the vacant place with Frank White as assistant. Mr. Bricker's resignation was caused by his having passed the examination for entrance to the officers training camp at Fort Sheridan. Roy came to Marlette in 1908 and took up his work with the State Bank and has hosts of friends who regret his departure from among us, but all join with the Leader in wishing him the best of all things.—Marlette Leader.
